Aurora  
Central City 1  
Central City 2  
Illusions  
Stingers

One rain-out date is planned. Rain-outs may be played on nights where a field is open. If there is more than one rain-out that occurs per team, then we will try to re-schedule. If a reschedule is not possible, the date will be lost. If no rain-out dates are needed, the tournament will be played on the rain date.

Tournament seeding will be based on league games played and will be single elimination.
